PASTOR'S DEVOTIONAL

"All this took place to fulfill what had been spoken by the Lord through the prophet: 'Look, the virgin shall conceive and bear a son, and they shall name him Emmanuel,' which means, 'God is with us.'" – Matthew 1:22-23.

It appears that the day after Halloween has become the unofficial beginning of the Christmas season in our communities. Christmas lights appear on houses lighting up the night sky, and Christmas trees stand in the living rooms of homes throughout the city. Christmas music can be heard on the radio, and the stores are filled with gifts and decorations for this festive season. While the church does not begin its celebration of the birth of our Saviour until the actual day of Christmas, many of us still begin to make our homes festive for this "most wonderful time of the year." In our home, that means putting up our tree, decorating it with our favourite ornaments (which since Rania came into our lives are all unbreakable!), and placing other special Christmas items throughout our house. One of the most special of these Christmas decorations is in the nativity scene that my Aunt Luise brought over from Germany, the creche, that was in our family home for years and now graces our home as a reminder of the birth of Jesus in the manger in Bethlehem. While it is not the most elaborate or expensive nativity set, it holds special memories of celebrations of Christmas in the past and the special people with whom we celebrated the holiday who are no longer with us for this day of the Nativity of Our Lord.

As we begin our celebrations of Christmas, we also enter into a season in which we remember the special people in our lives, our churches, and our nation who are gone from our sight. Sunday, November 1 is All Saints' Day, the day in which we give thanks for *"all the saints*

who from their labours rest." We remember the saints of the church whose names are remembered and immortalized in churches, schools, and hospitals; we also remember the saints who blessed us in our lives and whose memory remains a blessing to us. At our All Saints worship, we especially remember those saints among us who died in the past year, praying that God will also *"renew our trust in you that by the power of your love we shall one day be brought together with our [sisters and brothers]."* (ELW Funeral).

On November 11, we pause along with our fellow Canadians on the "eleventh hour of the eleventh day of the eleventh month" to remember those who gave their lives for the sake of our nation and the freedom of "our home and native land." We recite the immortal words of John McCrae's *In Flanders Fields,* remembering those who *"short days ago we lived, felt dawn, saw sunset glow, loved and were loved, and now we lie, in Flanders fields."* As we pause as a nation on this solemn day, we pray that God will *"hear us as we make memorial of those who laid down their lives for freedom and truth [and] help us to be faithful and true to those ideals for which they fought and died." (Chaplain's Manual, Royal Canadian Legion).*

While our festive celebrations of Christmas may feel very different from our solemn observances of All Saints' Day and Remembrance Day, there is an element of remembrance in our gatherings in this season of comfort and joy. We remember the birth of Jesus in the manger in Bethlehem, and that in his birth in the city of David *"the hopes and fears of all the years are met in thee tonight."* (ELW Hymn 279). We remember the message of the angel to the shepherds, bringing *"good news of great joy to all the people: to you is born this day in the city of David a Saviour, who is the Messiah, the Lord"* (Luke 2:10-11). We remember the words of St. Paul to Titus that in the birth of Jesus *"the grace of God has appeared, bringing salvation to all … while we wait for the blessed hope and the manifestation of the glory of our great God and Saviour, Jesus Christ"* (Titus 2:11-13). As we remember our Saviour's birth, we also remember those with whom we shared Christmas celebrations in the past who will no longer be present for our holiday gatherings. On my desk is a photo of my father and his brothers and sisters with whom I shared many family Christmas celebrations in my childhood; today, all but one of them has passed away. The memory of those who have died can make Christmas an especially painful time as we find ourselves mourning when others are celebrating. For persons who find themselves in a place that feels far from festive, a Blue Christmas service offers an opportunity to gather with others who remember and mourn, praying *"for the grace to bear my sufferings as Christ bore his for me, knowing my sufferings are not like his and not like others, yet shared with the universal longings for all humanity: real and painful and deep, no need for comparison, only companionship."*(Blue Christmas: A Longest Night Service).

- "Some come because they are mourning the death of a loved one. Some are far from home. Some suffer from illness, addiction, or estrangement. Some are lonely,

struggling financially, or in conflict with another. Some hurt because of the great pain, need, and violence in our nation and world. The reasons for coming are many. We gather in the midst of suffering to remember God is good. God is strong. God is near. We are not alone, and we have every reason to hold on to hope." – Lisa Ann Moss Degrenia.

The coming weeks will offer many opportunities for us to remember: all the saints whose memories are a blessing to us, all who laid down their lives in Flanders field and other fields of combat; and those with whom we gathered to remember and celebrate the birth of our Saviour. Our memories may be joyful, and they may also be painful; but amid the mixture of conflicting feelings and memories, may we join with God's people who found hope in their remembrance that *"the steadfast love of the LORD never ceases, his mercies never come to an end; they are new every morning; great is your faithfulness."* (Lamentations 3:22-24). May our moments of remembrance be met with the Word of God which calls us to remember that no matter how dark our moments of remembrance may be, the light of Christ shines before us and the love of God abides with us always!

Yours in Remembrance and Hope,
Pastor Jeff Laustsen

HIGHLIGHTS FROM THE SEPTEMBER 23, 2026 CONGREGATIONAL COUNCIL MEETING

The September 23, 2026 Congregational Council Meeting was held in-person in the Parlour.

The two training sessions for the Chairlifts were completed with Darrell Rennecker giving very clear instructions on how to use the chairlifts. As a result, we have more members trained on the operation of the chairlifts, in addition to our weekly Usher Captains. This will assist us in selecting a member to oversee the operation of the Chairlifts at events other than Sunday mornings. As an added benefit of the training sessions, members who attended the training session who use the Chairlifts are now familiar as far as using the chairlift on their own, if they wish, without the assistance of the Usher Captain.

A special Congregational Council Meeting was scheduled for Saturday, October 17 to review the Future Directions Task Force Report.

The first Seniors' Luncheon for the fall was held on September 11th and the October Seniors' Luncheon was held on October 9th. The next Seniors' Luncheon will be Friday, November 13th.

The first Coffee Hour for the fall will be held on October 18th and will be sponsored by Judy Stanley. Volunteer sponsors are needed for future Coffee Hours.

To date, the choir pews have not been returned to the chancel area. We have several groups looking at booking our church for concerts and it is becoming too difficult to move the heavy pews. Alternative seating arrangements for the choir members is being considered currently.

We have had several new requests for rentals. The Stratford Symphony Orchestra will be using the sanctuary for a Chamber Concert on Thursday, November 5. The Huron Perth Centre will be holding counselling sessions for youth and their parents on Tuesday evenings for 17 weeks in our church parlour.

Donations/offerings, can continue to be completed via our Church website, including additional options for E-Transfer and QR Code on our church website, in addition to the PAR program, mailing cheques or dropping off donations either at the Church office weekday mornings or in the locked mailbox at your convenience.

HIGHLIGHTS FROM THE OCTOBER 21, 2026 CONGREGATIONAL COUNCIL MEETING

The October 21, 2026 Congregational Council Meeting was held in-person in the Parlour.

Thirty-eight people attended the Coffee Hour on Sunday, October 18, 2026, sponsored by Judy Stanley. The next Coffee Hour will be Sunday, November 15, 2026, sponsored by Shirley Whittaker. People are enjoying this social time so it is hoped that we can have two Coffee Hours each month. More volunteer sponsors are needed for this to happen.

The parking lot re-paving has been completed and the parking spaces clearly marked. We received a government grant of $3,000.00 and have updated the lighting in two Sunday School rooms and the two rooms used by Avon Mennonite Church. The new lighting has made a huge improvement along with being more economical.
Investigations are continuing regarding the choir pews in the chancel area.

Congregational Council held a special meeting on Saturday, September 17th to review the Future Directions Task Force Report and to consider where we are at now and what do we need to do going forward. A list of items was created which will require further investigation. A Visioning discussion will take place at each of our monthly meetings to review what progress is being made on these items.
One of the items discussed that will be completed immediately is to return the visitor envelopes to the pews. We were required to remove them when COVID happened.

Donations/offerings, can continue to be completed via our Church website, including additional options for E-Transfer and QR Code on the church website, in addition to the PAR program, mailing cheques or dropping off donations either at the Church office weekday mornings or in the locked mailbox at your convenience.

SUNDAY SCHOOL NEWS

Since September we have been busy learning some very important bible lessons and having a lot of fun. This year we have added hands on activities into each lesson for all of our grades. We are starting to put together our Christmas program for December and look forward to sharing our hard work with the entire congregation on December 13th, 2026. We are looking forward to hosting a Sunday school Christmas party on Saturday December 5th, 2026, for all Sunday School members. Details are still being sorted out at this time.

This year we have been utilizing our wonderful craft supplies each week. It is great to see the children show their personality and creativity. Our Sunday school will also be creating our background and props for this year's Christmas program.
With the change in seasons many of us are going through our houses and making space for the new seasons ahead. If you are looking to get rid of any craft supplies, board games, fabric scraps etc. we will be happy to take them off your hands

Do you have a child who is 4 years to 12 years of age? We would love for them to join us on Sundays. If you have not yet registered, or have a child in Sunday School and haven't updated their information, we have made it easier to do so this year with our online form. The form only takes a minute and once completed goes right to the Sunday School Coordinator's email.

You can follow this link https://form.jotform.com/262495846523063 or scan this QR code

to be taken directly to the form. If you prefer to register/ update your information on a paper copy we are happy to provide you with one.

PRAYER SHAWL MINISTRY

More Poppies from Zion's Prayer Shawl Ministry will be part of the Remembrance Day Poppy Banners displayed throughout Stratford in honour of our veterans again this year.

Winter is approaching and children and adults confined in home, hospital, other places of care, and outside, with sporadic shelter exposed to the elements benefit from a knitted item to cover them with warmth.

The much appreciated yarn contributions, individual donations and Zion's support enables us to create items for distribution.

As November's winter draws us in, the Blessings of Christmas remind us to reach out to share our talents and gifts. We are Blessed to be able do so.

Peace be with You and Those in Your Thoughts and Prayers at Christmas and Always

The Prayer Shawl Women
Nancy, Gerry, Heidi, Ruth, Jean, Alvina, Darlene and Lois

WOMEN OF FAITH

OFFERING ENVELOPES UPDATE

Due to the rising cost of everything these days, including the offering envelopes, **we are making them available by request only**. Simply call Jane in the office at 519-271-8527.

Offering envelopes will **no longer have a date or envelope number pre-printed on them** (see a copy below). In the new design there is a designated spot for you to **print your envelope number**. It is very important that your envelope number be put on the envelope you are putting on the offering plate in order for it to be included on your Contribution Statement for Income Tax .

For those of you who give your offerings monthly or less frequent than weekly, you will be able to use your box of envelopes into the next year. This will eliminate waste. As envelopes are ordered in July, I will publish in the June/July/August Newsletter and weekly bulletins in June **a request for anyone needing a new supply of envelopes**. FOOD FOR THOUGHT

A member has submitted the Scripture reading below found in "Eternity for Today", a book of Daily Scripture Readings for Reflection and Prayer.

Saturday, October 3

Read: Psalm 25:1-8

Living in the light

Make me know your ways O LORD; teach me your paths. (verse 4)

Have you ever wondered what it would be like to be in the crowd listening to Jesus speak? To hang onto every word, to want to know more, to be soothed by his calm presence?

By living a life of faith, steeped in prayer, we can experience this close and meaningful relationship. In our prayer lives, listening is as important as speaking. As we quiet the sound of our own voice in gentle stillness, we give opportunity to hear more clearly. At first, the silence may be uncomfortable and perhaps even impossible, but as the calm stillness sets in, we are able to hear with heart and mind.

The way of the Lord is love, the path to the Lord is love. God desires of us very little other than to love God and love our neighbour as ourselves—especially those who think, act and live differently than we do. The two great commandments.

God of love, we thank you for loving us so perfectly that you sent your only Son to live among us, to teach us, to inspire us. Help us to listen more clearly, to love more deeply and to trust more fully. Our hearts are restless until they find their rest in you. In Jesus' name, we pray. Amen.

- Rev. Allison Agius
